

TITHE GREEN WILD FLOWER LIST

Below is a list of wild flowers appropriate for planting at Tithe Green. The list has been drawn up by our friends at Naturescape Wild Flower Farm in relation to the type of soil at the Burial Ground and includes flowers that would be best suited for the site.

Bulbs, plugs and seeds can be purchased direct from Naturescape and their staff will be able to give advice on flowers on the list including when and how to plant for best results.

Naturescape can be found at Maple Farm, Coach Gap Lane, Langar, Notts NG13 9HP
